Although Argosy staff will always assist guests in wheel chairs, for those with walkers or with limited mobility please reference our activity level guidelines:

1. Short walks to or from ticket booths to the boat on flat docks. May include short-sloped gangways and/or 3-4 steps to board and disembark boat.
2. Short walks to or from the ticket booth to the boat on some docks affected by tides, uneven terrain, and/or occasional large wakes, occasional steps and/or sloped gangways. At low tides, guests may negotiate 55 foot long ramp with 15-20 degree slope.
