NEW EXPRESS EXIT

1 TAKE TICKET AT ENTRANCE

Push the button at the entrance and take the parking ticket with you; retail businesses can validate for up to 2 hours.

Difference over 2 hours must be paid at exit or online

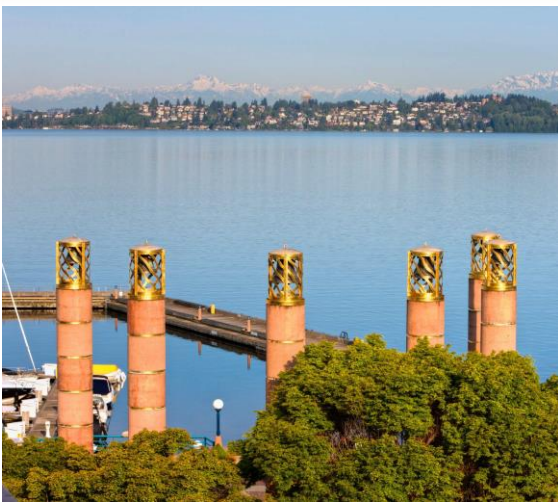

Carillon Point is excited to introduce a new mobile-pay express exit to our 2000 parking garage. The secondary exit ramp, located next to the Starbucks, will now be open for express lane prepaid tickets. To use the exit and skip the lines, pay for parking online by scanning the QR code located on your parking ticket.

Additional charges will incur 15 minutes after payment.

2 SCAN QR CODE ON PHONE

Scan QR code located on the bottom right of the ticket to prepay and gain access to a faster exit in the express lane.

For cash payment or assistance please visit booth attendant located at the upper-level exit.

3 HOLD TICKET BARCODE UNDER EXIT READER

Hold the barcode of the ticket to the bottom left of the machine at the exit. Arrows should be pointing to the machine face up.

DO NOT INSERT TICKET
