

SEATTLE LOCKS CRUISE

Local Favorite City Tour with Locks, Lake Union & Elliott Bay

Hiram M Chittenden Locks | Floating Homes | Space Needle | Seattle Skyline | Live Narration

Something you don't want to miss

Oct 2023 • Family

This 2-hour cruise shows you many sides of Seattle and ventures through Elliott Bay, Ballard Locks, and Lake Union. You'll be the attraction to those on shore as your vessel raises or lowers through the government locks and transitions from salt to fresh water. This is a one-way cruise and the **only** boat tour through the Ballard Locks! It begins and ends at two different centrally located Seattle docks.

Best of the Best for a Reason

2023 • Couples

"There are reasons this cruise is so highly rated...Expanded tour route, great scenery, friendly staff and going through a lock is fun! The views of the city and mountains were amazing—and getting a more in-depth look at Seattle's neighborhoods and houseboats was well worth the extra time. Our guide was wonderful. Very informative and interesting tour. Highly recommend."
